

June 2005

To Whom It May Concern:

Recently our non-profit organization, The Bristol Central Graduation Party Committee, sponsored an evening of family entertainment, WRESTLEFEST, as our major fundraiser. The event was truly entertaining to all; even the most skeptical had smiles on their faces.

We were very satisfied with the show and enjoyed working with Northeast Wrestling. They were very professional and helpful, promoting ticket sales by advertising and circulating flyers. Our gym was filled with spectators! This is definitely an event worth trying; we are planning to sponsor this fundraiser again next year. We would highly recommend Northeast Wrestling to anyone.

Sincerely,
BCHS Grad Party Committee
