Cornwall-on-Hudson, NY 12520

Dear Mike,

It's been a little over a week since our wrestling event fundraiser and there is still a buzz around campus regarding its overwhelming success. I wanted to thank you for staging a professional wrestling show that will long be remembered by all who were involved in the Rutgers-Newark community.

I continue to receive phone calls praising the professionalism of the event and the premier wrestling card that was presented on that night. Fans who attended the event could not believe that Mick Foley, Jerry "The King" Lawler, Al Snow and the legendary Dusty Rhodes were appearing on the same card. Fans before, during and after the event had nothing but compliments for your show.

An administrative aide for the Mayor of Newark was in attendance with her two sons and she praised the event and informed me she was going to relay her sentiments to the Mayor and encourage him to support our efforts for future shows at Rutgers.

I was extremely impressed by the entire organization of your entire staff. It is a tremendous task to set-up, run and breakdown an event of that magnitude and you and your staff made it look easy. This is the second time we have used Northeast Wrestling and it is clear to see why you are considered to be the elite fund raising wrestling organization in the country.

Thanks again for everything and I will be in touch soon to schedule our fall wrestling event.

Sincerely,

Mark Rizzi

Head Baseball Coach

EXCELLENCE ON AND OFF THE FIELD
